Forrest Workshops Support Packages 2018+

Forrest Workshops

Custom-built facilitated workshops for teams of 1 – 100.

Forrest Workshops are custom-built and facilitated team workshops designed for each client’s situation, strategy, values and core purpose. Forrest Workshops consider the client’s bigger picture aspirations while ensuring the Woods don’t obscure the Trees.

All pre & post work, materials & summary reports included.

Forrest Workshops For One

Coaching, mentoring and collaboration support for leaders, business owners and service professionals.

Set goals, assess your strengths, collaborate, plan and implement (continually supported & encouraged along the road). Troy has coached & mentored over 1,000 professionals in the past decade.

Choose from fortnightly, monthly or quarterly programs.

Retainer work
